

# Sales & Technical Support

## Crushing & Mining Equipment

PERTH SYDNEY BRISBANE

At CME we strive to provide the best crusher support service in the Asia Pacific region. We believe we have the most comprehensive parts inventory and the very best technical team. More importantly though, our commitment to customer service and to keeping your crushers running is the cornerstone of our successful business.

**CME is proud to be the exclusive authorised dealer of Excel Foundry and Machine for Australia and Pacific regions.**
